**Instructor: Bernard Healey**

Paint along with the instructor. Both beginners and advanced are welcome to this acrylics class. It will include washes, impasto, scumbling, brush techniques and stippling, while rendering clouds, water, seascapes, trees, snow, mountains and other elements that are found in the world of landscapes.

Designed for both beginners and advanced students, with supportive critiques at each session as we progress through this complete art series. Bring a canvas and whatever painting supplies you have, and a suggested supply list will

be handed out at the first session. Or email me at [bhmarinart@comcast.net](mailto:bhmarinart@comcast.net) and I will send you a recommended supply list before the first session. Easels will be furnished at all sessions. Come join us for this complete course.
